Subject: Updates regarding Cat Tales' response to COVID-19

Dear Cat Tales Supporters,

Adoptions: We are currently accepting and processing adoption applications, however, we have decided to "paws" (pause) any new adoptions at this time to limit exposure to the virus and protect volunteer staff. We will notify the individuals interested in adoption when this hold is lifted.

Thank you to:

- Those volunteers who are showing up for their shifts, working together, practicing increased sanitation and cleaning protocols, and using social distancing.
- The feral feeders, who are continuing to make their rounds to the community cats in our care.
- Those who have been donating supplies and food, as well as monetary donations.

***"I am so proud of all of the volunteers during this difficult time.
You are all a blessing to us and to the Earth. Together, even standing 6 feet apart, we are
an unbreakable chain of compassion. Stay safe!!!"***

~Debi, Cat Tales President
