Subject: Updated Cat Tales response to COVID-19 and Cats in the Castle

Dear friends,

It is with heavy hearts and concern for all that we at Cat Tales believe the best course of action to protect those who support this organization is to forgo the year's event and plan on hosting Cats in the Castle on April 24, 2021.

The decision was not made easily as this event is one of our largest fundraisers for the year.

However, due to unprecedented circumstances we think this decision is best for the safety of all. We will keep everyone apprised of the details for the 2021 event on our social media and web site.

For those of you who purchased tickets and sponsored the event, we will be in touch with you individually to discuss your contributions. All raffle and silent auction items already donated will be used for our 2021 event.

We thank everyone for their understanding and compassion during this challenging time.

Sincerely,

Cats in the Castle Planning Committee
