Subject: Update to Cat Tales' response to COVID-19

Dear Cat Tales Supporters,

Below is an update to our current practices during COVID-19.

Adoptions: We are currently accepting and processing adoption applications and scheduling adoption appointments after approval. Cat Tales requires everyone to follow current COVID-19 precautions when meeting the adoption coordinator at the shelter or our foster homes. This includes but is not limited to: wearing a mask or face covering, sanitizing hands and social distancing.

Many thanks go out to:

- Those volunteers who are showing up for their shifts, working together, practicing increased sanitation and cleaning protocols, and use social distancing.
- The feral feeders, who are continuing to make their rounds to the community cats in our care.
- Those who have been donating supplies and food, as well as monetary donations.

"We are so fortunate to have the dedication of our wonderful volunteers. Thank you for continuing to help our organization thrive during this difficult time. Together, even standing 6 feet apart, we are an unbreakable chain of compassion."

~Debi, Cat Tales President
